UPP (University Preparation Program)**

This course focuses on learning how to communicate effectively in a wide range of business situations. Topics include important business communication skills for customer service, negotiations, interviews and telecommunication. Students will develop their skills through presentations, role plays, work simulations and case studies.

This course is designed for students who want to enter college/university in Canada or the U.S. Students will learn how to write essays, summarize articles, do academic research and make oral presentations. Upon completion of the 12-week module successfully, students can be accepted by our affiliated colleges without further English Proficiency Test scores (TOEFL, IELTS, etc.)

Students Service

Homestay Program

Homestay accommodation is an enjoyable way for international students to learn about Canadian culture, practice English conversation skills and become friends with people from different cultures. The homestay service offered by WTC provides a valuable experience in Canada.

Student counseling

WTC offers personalized care to students for the entire duration of their study period. WTC staff know how important the students' experience with us is and always value their opinion to improve the satisfaction and make them happy while students are staying at WTC.

University/College Admission Counseling

WTC offers counseling to help students with university/college admissions and programs for our affiliated schools. We work directly with university admission officers to make the application process smoother for our students.

Activities & Weekend Trips

WTC organizes special activities and events to make it easy for all of our students to experience Canadian culture, make new friends and practice their English outside the classroom. Every weekend, WTC students can explore Canada's beautiful nature and exciting life by joining these trips.
